HABITAT DETAILS

ADDITIONAL COMMENTS

SKETCH MAP OF SITE
(indicate scale, direction of north and all other relevant details)

When filling in your first card, please supply full contact details (address, telephone number, email address etc.) This will facilitate relevant feedback on the Scheme. Key fields on the card have been **highlighted**.

Complete card by ticking box to indicate which species are present (✔). Add details about number(s) and stage (adults, exuvia, nymphs) etc. in comments column. Ideally, you should use one card per site visit/habitat. Where suitable, 4/6-figure grid refs. should be supplied.

Use the back of this card to record all additional information, including habitat and behaviour details (whether species was breeding etc.) Use the map box to clarify location details.
